Unit Dr.Bhavana R.Keshwala

 The idea of involving students in the taste of national service at the time of Mahatma Gandhi. The Father of nation.  The University Grant Commission headed by Dr.Radhakrishan recommended introduction of national service in the academics institutions on a voluntary basis with a view to developing healthy contacts between student and teachers and linkage between campus and community.

- The idea was again considered by the central advisory board of education in its meeting held in January 1950.
- First five year plan was adopted by GOI in 1952

- In 1959 the detailed outline of scheme was placed before education minister.
- In 1960 scheme was named "National Service for the Youth".

 The education commission headed by Dr. Kothari recommended that student of all stages of education should be associated with some form of social service because NCC was already in the existence. An alternative to this activity a new program "National Service Scheme" was offered to the students. At the same time national sports Organization (NSO) another program were introduced in view of need to give priority to development of sports.
