From the Editor's Desk

We are tremendously happy to unveil the third edition of Phoenix. It has been our consistent endeavour to encourage our students to be creative and vocal. Students on the other hand have also been contributing a lot with fervour. We hope that this initiation will nurture perpetual confidence and creativity in them.

From the President's Desk

I am indeed very much delighted to witness the introduction of the third edition of Phoenix. The journey and progression of the Department of Commerce (Eng. Med.), which has completed 7 memorable years of its service to the society, has been tremendous. I take this opportunity to congratulate each and every

member of the department for making it a center of excellence through their tireless efforts. We have been offering cutting edge theoretical knowledge along with indispensable practical exposure to our students. Dynamic education instigates Social transformation along with intellectual awakening and all-round development of the students as well as teachers and initiations like Phoenix are rudimentary for the same.

From the Principal's Desk

The Department of Commerce (English Medium) endeavours to become the educational nucleus of the regional girls of Porbandar district in the areas of commerce and finance. They have been offering a structured array of educational services to meet the growing and emerging needs for

professionals in commerce. The department has made several innovative initiations for the multifaceted development of the students. Phoenix is one such initiation which provides platform for the students to think out of the box. Hope it will keep instilling confidence in our cherished students to be innovative.

Happy daughter's day:

Daughter is not equal to tension but in today's world daughter is equal to ten sons.

A father asked his daughter who would you love more, me or your husband...?

The best reply given by the daughter I don't know really, but when I see you , I forget him but when I see him I remember you...

You can always call your daughter beta but you can never call your son beti...

That's why daughter are special.

Daughters are happiness

Daughters are angles..!

Congrats to all those who have

daughters. Daughters are like parrots in the house...

When she speaks, speaks without a break... & everyone says, "Will you please keep quiet for some time."

When she is silent,

Mother says, are you fine my child?

Father says, why there is so much of silence?

Brother says, are you angry with me?

And when she is married, all say "it's like all the happiness has gone from the house"

She is the real non-stop music.

Dedicated to emotional, cute, pretty, sweet and sincere girls.

That's me

That's you...

That's girl....

Always think positive

If you think you are beaten you are

If you think you dare not, you don't

If you want to win, but you THINK you can't

It is almost certain you won't

If you THINK you will lose, you are

lost,

Success begins with a fellow's will

It is all in the state of mind.

Battles don't always go in favour,

Of the stronger or faster man.

But sooner or later the man who
wins

Is the man who THINKS HE CAN

- "Positively presented by a Positive
thinker."

MY LIFE

I don't want to live for myself,

But I want to live for others.

I don't want to live for myself,

But I want to live for the people who
love me.

I don't want to live for falsehood,

But I want to live for the truth.

I don't want to live for my enemy,

But I want to live for my friends.

I don't to live for the world,

But I want to live for the good
people who live on it.

A Thought

Falling leaves and falling men!

When the snows of winter fall,

And the winds of winter blows,

Will be woven Nature's pall.

Let us, then, forsake our dead;

For the dead will surely wait

While we rush upon the foe,

Eager for the hero's fate.

Leaves will come upon the trees;

Spring will show the happy race;

Mothers will give birth to sons—

Loyal souls to fill our place.

Wherefore should we rest and
rush?

Soldiers, we must fight and save

Freedom now, and give our foes

All their country should—a
grave!

SAVE THE GIRL

Let me live

Let me live

Let me bloom

Let me shine like beautiful moon.

Let me come and see this world.
Let me fly like a beautiful bird,
Don't be so cruel oh selfish?
Let me swim like a colorful fish
Listen my cry
Listen my screams
Let me fulfill my wishes and
dreams.

Life

Life is an opportunity,
benefit from it.
Life is beauty, admire it.

Life is a challenge, meet it.
Life is a duty, complete it.
Life is a game, play it.
Life is a promise, fulfill it.
Life is a struggle, accept it.
Life is a song, sing it.
Life is a tragedy, confront it.
Life is an adventure, dare it.
Life is luck, make it.

Nice thoughts

1) if you focus on results you will
never change

get results."

2) sometimes the wrong choices
bring us to the right places.

3) Don't take any decision when
you are angry,

Don't make promise when you are

Flowers don't worry about how
They're going to bloom.

Towards the right and that

Mathematics of life

Life + love = happy
Life-love = sad

2life = happy + sad

Life = happy + sad ÷ 2

Life = ½ happy + a/2 sad

That's real life. Enjoy it.
