Remarks :

The College under the able leadership of the Principle, inspired by the enlightened Management is doing excellent work. It is heartening that programs like 21C1E1K21 for enhancing multiple intelligence is also very well carried out. Given the excellent ambience and harmonious involvement of the College team, I would suggest that each student be further empowered with English skills under the Cambridge certified SCOPE program as a part of the only assessment scheme.

Well Done! Keep it up!
