Remarks :

It was a great experience to visit this college and to witness the inspiring work done by Dr. Anupam Nagar and his dedicated colleagues. Dr. Nagar is himself a shining beacon, leading by his own personal example. He is very hard-working, utterly sincere, and yet so humble. The college is now coming up very well under his able leadership. I met and had the opportunity to interact with several students of this college. I have no doubt that it will make a huge difference to the education and well-being not just of Porbandar, but of the whole region and state.
