The Annual Quality Assurance Report (AQAR) of the IQAC

Name of the Institution:

DR. V. R. GODHANIYA COLLEGE OF ARTS, COMMERCE, HOME-SCIENCE AND INFORMATION TECHNOLOGY FOR GIRLS

Name of the Head of the Institution: Dr. Anupam R. Nagar
Ph. No. Office: 0286 2247709 Residence: 0286 2220887
Mobile: 9979881990 email: drvrgodhaniaihl@rediffmail.com

Name of the IQAC Co-ordinator: Dr. Ila A. Thanki
Mo. 9427183046 email: ila.thanki@yahoo.com

Year of report: 2012-13
**Part A:** The plan of action chalked out by the IQAC in the beginning of the year 2012-13 towards quality enhancement and the outcome achieved by the end of the year:

In accordance with the directives of National Assessment and Accreditation Council (NAAC), the Internal Quality Assurance Cell (IQAC) of Dr. Virambhai Rajabhai Godhaniya College of Arts, Commerce, Home-Science and Information Technology for Girls endeavored to examine the progress and achievements of all the undertakings of the institute, in an effort to guarantee the accountability regarding its own quality and integrity to all its stakeholders i.e. students, parents, faculties, prospective employers, funding agencies and the community at large.

The IQAC has also attempted to streamline procedures in order to ensure the following: timely, efficient and effective performance of academic, administrative and financial undertakings, application and quality of academic programmes, enhancing the quality of human resources by integrating values oriented with modern methods of teaching and credibility of evaluation procedures.

- **Plan of action for the year 2012-13**

  - To introduce Translation-Proficiency and Food & Nutrition Career Oriented Programmes from the next academic year.
  - To offer the SCOPE module to all the first year students.
  - To incorporate ICT methodology in the teaching plan of every subject teacher.
  - To continue the short term courses like Personality Development and Positive Thinking, Basic Computers, Environmental Studies, Human Rights education for the benefit of the students.
  - To continue publication of research journal 'KHOJ', the newsletter 'JYOTIRGAMAYA' and the campus magazine 'SANGATH'.
  - To organize career related competitive examination classes under the "Career Counseling and Placement Centre" and make efforts to provide placement through campus interviews.
  - To concentrate on collaborating with the NGOs of the district.
• To make efforts at building the departmental library.
• To make efforts to initiate new programmes like B.B.A., B.S.W. and M.S.W.
• To make efforts at raising the health and hygiene levels of the students through health care and health education sessions.

The targets for achieving the goals are in tune with the objectives and strategies planned:

Dr. Virambhai Rajabhai Godhaniya College of Arts, Commerce, Home-Science and Information Technology for Girls is established in the rural setting of Porbandar which is one of the most remote and backward areas of the state. Most of the students come from the surrounding villages who don't have educational environment either at home or in their community. Basic Communicative English and knowledge of computer are the prime need and demand of the time. Keeping this fact in mind, the institute has made it mandatory to offer SCOPE module since 2012 for all the first-year students of all disciplines. (Arts, Commerce & Home Science)

In addition, to strengthen the Basic Communicative English, U.G.C. recognized and granted course in Translation-Proficiency has also been initiated. We received an overwhelming response from the students. Nearly 500 students took the benefit and got either Certificate or Diploma in Translation-Proficiency Course during the year 2012-13.

Most of the women of rural area in Saurashtra region are illiterate and uneducated. Children in villages are suffering from mal-nutrition. Girls are the future mothers. Hence, with a view to educate the girl-students about the importance and nutritive value of food, the institute had already been running a Certificate Course of two months' duration since 2009-10. However, in March 2012, Home Science Dept. of the College initiated U.G.C. approved and granted Career Oriented Programme in Food & Nutrition in which 56 students were enrolled for Certificate Course and 25 and 29 students were enrolled for Diploma and Advanced Diploma respectively.

In addition to two aforementioned Career Oriented Programmes, various short term courses like Personality Development and Positive Thinking, Basic Computers,
Environmental Studies, Human Rights education initiated in the year 2007-08 are continued and in progress.

21st century is the century of Information Technology. To keep pace with the changing scenario of the globe in teaching, we must incorporate novel, innovative methodology and techniques of teaching Dr. V. R. Godhaniya College has always remained first in the district to implement anything positive and new. All the departments have been given full freedom and are encouraged to be proactive and innovative in improving upon methods of teaching. To incorporate ICT methodology, apart from the old lecture method, the institute has provided the faculties, particularly, Heads of the Depts. with Laptop facility. Moreover, the Management has installed multi-media facility in almost every classroom. The teachers as and when consider it necessary, make use of the ICT methodology in their concerned subjects. Thus, the faculties make optimum use of multi-media facility.

Dr. V. R. Godhaniya College has also established Career Counseling and Placement Centre since Feb, 2011 which has been running successfully since its inception. The young, energetic full time officer Mr. Kapil Lakhani frequently organizes competitive examination classes, career related training programmes, guest lectures and thereby provides useful information and guidance to the final year students.

A two months' duration coaching classes for clerk's examination for GSSB was conducted in Feb. 2012 in which 15 of our students took part. With an active help and support of an NGO (Chintamani Education Centre, Baroda). We conducted Montessori Teacher's Training Course from Jan. 2012 to June 2012 (once a week). Three of our students have already got job in private schools. We also conducted classes for clerk's examination of 19 Nationalized Banks through IDBS. Out of 28 students three of our students successfully cleared the exam and one student has already got an appointment as an Assistant Clerk in SBI, Porbandar (Chhaya Branch). Again with the help of Navjivan Education & Charitable Trust, we had successfully completed one day Self Employment Training programme for 66 girls. This training
was provided by Women & Child Development Dept., Gandhinagar. Classes for GSET examination were also conducted in May 2012.

In the year 2012, our focus was on collaborating with various NGOs of Porbandar district. Dept. of Economics tied up with Saheli Gramya Vikas Sansthan Trust, Bagvadar. Various departments arrange visits to Saheli Trust and in turn, we at Godhaniya College arrange exhibitions of various items made by the women-members of Saheli. This teaches our students the lessons of economic independence and self-reliance. If they are economically independent, they can live life with self-respect. A guest lecture of Ms. Neeta Vora, President, Saheli Trust was organized on 9-10-2012. Through our collaboration with NGOs such as Rotary Club, Ram Krishna Mission etc. our students are exposed to the outside world. They get an opportunity to take part in various competitions (quiz, elocution, essay writing, debate) organized by such institutions and prove their excellence. Last year, two of our students went to Vadodara to take part in Essay-writing competition organized by Ram Krishna Mission. We have also collaborated with youth Red-Cross Society since Feb, 2011.

It is a matter of pleasure and pride for us that our efforts to initiate new programmers of B.B.A and B.S.W. have got concrete shape. One more feather is added in the cap of Dr. V. R. Godhaniya College. Students of the district who wish to offer either of the two courses, now need not go elsewhere, we hope to take a step further of initiating Master's programmes in the near future.

Rishies in ancient India and our ancestors believed in "Health is our real wealth." It is true that sound mind resides in sound body. The Management at Godhaniya College is always keen to implement whatever is good and beneficial in the interest of the student community at large. With a view to making our students aware about the importance of health and hygiene, the college has also established a Primary Health Centre in the college premises itself. A fulltime medical practitioner has been appointed to take care of the students' health. Free medical consultation and medicinal facilities are provided to all our students including hostel residents and
required staff members as well. In case of any serious medical emergency, students are referred to the nearest place for specialist's opinion and further treatment.

**Meetings of Statutory Bodies:**
The College Management met on 15/07/2011, 16/07/2011 and 23/09/2011 respectively the IQAC and the Departments in various disciplines met on 12/03/2012, 19/03/2012, 21/03/2012, 12/04/2012, 16/04/2012, 26/04/2012, 05/05/2012, 14/05/2012, 11/06/2012, 20/06/2012, 25/06/2012, 28/07/2012, 05/11/2012, 26/11/2012 and 05/03/2013 for discussion and implementation procedures.

**Celebration of 25th Annual Day (Silver Jubilee):**
Hon'ble Chief Guest Dr. Mahendra Padalya, V.C., Saurashtra University, Rajkot, Respected Dr. Virambhai R. Godhaniya, President of the Shri Maldevji Odedara Smarak Trust and Shri Arjunbhai Modhwadiya, Managing Trustee, Shri Maldevji Odedara Smarak Trust, graced the 25th Annual Day Programme which was held on 20th January, 2013. During the Prize Distribution programme 500 students of the college graduated from Saurashtra University were felicitated with certificates and 3 students were given Gold Medals for the distinction in various disciplines. 6 senior most professors and 25 Alumni students were felicitated by the institute.

**Part B:**
1. Activities reflecting the goals and objectives of the institutions: The details regarding the achievements of the institute over the years are given as under:
   a) To transcend narrow consideration of caste, creed, race or religion and focus on the total self-development of the student.
   
   Achievement : Dr. Virambhai R. Godhaniya College of Arts, Commerce, Home-Science and Information Technology for Girls, for over two and a half decades, has facilitated the Government's policy of providing FREE EDUCATION to girls, in all the courses adopting the Government Policy for the SC/ST/OBC students for admission. The Institute has made all efforts to reach different segments of the Society. The fact that it was established in the rural setting of Porbandar which is one of the most backward areas of the State has given an important and additional
dimension to its responsibilities. Students who are economically weak are given special scholarships and special efforts are made by the faculty members to motivate them to excel. An amount of Rs. 26,61,791.00 was paid to the reserved category students (945) this year.

b) To raise the educational standards of women in and around Porbandar and thereby contribute to National development and to bring about awareness about protecting our immediate environment in our everyday habits and practices.

Achievement: Students and teachers are constantly directed to shed narrow and parochial loyalties and prepare themselves to serve the society and the world. Through social work and extension programme, students learn to help the under privilege and the unfortunate. They are made sensitive to and aware of the problems of the people living around them in society. Community service programmes like NSS and the Community Service Society provide the students with an opportunity to get familiarized about the lives of people in general and poor people in particular living in rural areas in and around Porbandar district. In addition they are given an opportunity to listen to experts in various disciplines in workshops and seminars. The Institute also arranges a six month course in environmental studies for the first year students and this has been the practice for the last six years. Thus the students are sensitized to the issues and concerns of rural development. They are encouraged to ponder in depth on the related issues and advised to avail themselves of opportunities to participate in rural development activities. These are regular course inputs on rural development in the Economics, Sociology and Commerce programmes. Several field projects are undertaken with focus on rural problems.

c) To provide quality teaching and learning resources and to utilize audio-visual aids in making our teaching methodologies more effective and learner-centered:

Achievement: Departments have been given full freedom and are encouraged to be proactive and innovative in improving upon existing curricula, introducing new courses and methods of teaching. Regular review and up-gradation are a continuing process and are actively adopted by the different Departments of the Institute. Every
year members of the Boards of Studies of all disciplines meet and discuss the curriculum up-gradation and place it before the Academic Council of Saurashtra University for its approval. The Management has installed multimedia facility in almost every classroom and as a practice year-end reviews by way of power-point presentations are taken from every department to justify their performance.

The above goals and achievements are reflected in the entire curriculum at all levels of study from undergraduate to Ph.D. programmes. Attempts have been made to examine how moral and ethical issues may be incorporated into the teaching programme in an integral way. Each discipline has seriously deliberated on this subject and come out with concrete results.

**Q-2. New academic programmes initiated (UG and PG):**

2 New programmes – B.B.A. and B.S.W. were introduced during the year 2012-13.

**Q-3. Innovations in curricular design and transaction:**

The Academic Council, Saurashtra University, Rajkot, met on 14/11/2011 and reviewed the curricula endorsed by the respective Boards of studies and approved the modified version that was prepared after factoring in the suggestions of members of the academic council. The Syndicate endorsed the same on 21-11-2011.

**Q-4. Inter-disciplinary programmes started:**

A first step towards interdisciplinary programmes was taken in the year 2007-08 by proposing courses that can be taken by students across disciplines. Courses which are inter-departmental/interdisciplinary are furnished below:

1) Rural Development
2) Environmental Studies
3) Basic Computers
4) SCOPE
5) Personality Development and Positive Thinking
6) Food and Nutrition
Q-5. **Examination reforms implemented:**

This is one of the very few affiliated Colleges of Saurashtra University, Rajkot which have already in place a healthy education and evaluation process featuring semester system, continuous internal evaluation and a high degree of transparency.

Q-6 **Candidates qualified: - NET/SLET/GATE etc.:**-

No student qualified for NET/SLET/GATE this year, but sincere efforts are being made in this direction.

Q-7 **Initiative towards faculty development programme:**

The Faculty Development Programme (FDP) which was introduced from June 2007-08 would provide required inputs to faculty members in terms of research. The topic of the FDP was *Relevance of Swami Vivekanand's Thoughts in Modern Times*. The following are the particulars of the guest faculties:

<table>
<thead>
<tr>

</tbody>
</table>
Q-8  Total number of seminars/workshops conducted:

The institute also conducted a student development workshop for mentors of the three faculties during 5-Feb-2013 & 11-Feb-2013.

Q-9.  Research projects (a) newly implemented & (b) completed

No new projects have been implemented or conducted this year.

Q-10. Patents generated, if any: N.A.

As a matter of policy, the innovations are conceived as contributions of knowledge for the benefit of the society. However, since our institute is primarily an Arts, Commerce, Home-Science and I.T college, the question of patents thus has not been taken up so far.

Q-11. New collaborative research programmes:-

Given the geographical locations of Dr. Virambhai R. Godhaniya College of Arts, Commerce, Home-Science and Information Technology for Girls, collaborative work in the way it is usually understood, is not easy to work out. All the same as a result of developments in Information Technology, connectivity with other centers of learning has vastly improved over the last few years. In addition, the following steps taken by the institute have strengthened collaborative research and teaching:

a) Increased number of academics from reputed institutions in India, who visit the institute for varying periods of time and participate in its teaching as well as research programmes.

b) Student and Faculty development programmes organized by the institute on a regular basis.

Q-12. Research grants received from various agencies:-

No grants have been received from any agency this year.

Q-13. Details of research scholars:-

The following is the detail of research scholar:-

Q-20. Teaching - Non teaching staff ratio:
The teaching & non teaching staff ratio is 11:8. We have a teaching staff of (22 full-time & 2 part time) teachers as against 15 members of non-teaching staff.

Q-21. Improvements in the Library Services:
The following improvements were made in the Library this year:
1) Bar-Coding process continued.
2) Addition of 501 books in the existing books.
3) Completed process of preparing paper-sets of CBCS university exams for the students & staff members since implementation of CBCS in 2010.

Q-22. New Books/ journals subscribed and their cost:
New Books/Journals subscribed and their cost as under:
i. 501 books worth Rs. 41,785/- were added to the library.
ii. Economic & political (monthly journal) – Rs. 1200/-
iii. Shashwat Gandhi (Magazine) – Rs. 150/-
iv. Career Express (Magazine) – Rs. 200/-

Q-23. Courses in which student assessment of teachers is introduced and the action taken on student feedback:
Student feedback for teachers, in all the courses, is taken in a very healthy atmosphere and follow-up action is taken up by the management. Student feed-back forms are specially prepared to suit local needs. The feedback forms were given for every teacher and the percentage of each answer was calculated. These feedback forms are designed according to the guidelines of NAAC.

Q-24. Unit cost of education:-
Including salary per student Rs. 20,567/-
Excluding salary per student Rs. 10,064/-

Q-25. Computerization of administration and the process of admissions and examination, results, issue of certificates:
i. Administration work of college office is fully computerized.
ii. Students' records are computerized.
iii. Enrollment and examination activities like preparing roll numbers of students, preparing result etc. are being done with computers.

iv. The admission process is on ‘First-come First-Serve” basis.

The following are the particulars of the examinations held and results declared:

</tbody>
</table>

Q-30. Support from the Alumni Association and its Activities:
It has remained our endeavour to bring about awareness among the parents of the students. Hence, we have been organizing teacher-alumni-parent-present students meet every year. However, the question that is often posed is to evaluate the extent to which the students of Institute internalize the values they have been exposed to during their study at the Institute and display the same later in the outside environment. The
best and most eloquent answer has been provided by a large number of our ex-
students, who in their own and diverse ways, generously give their time and resources
for the cause of their less fortunate fellow beings. In our College too we have been
making efforts to bring together such ex-students who have been rendering social
service and thereby contributing silently in the development of the region.

Q-31. Support from the Parent-Teacher Association and its Activities:

The following are the details of the Parent-Teacher Association meetings held
this year:

<table>
<thead>
<tr>
<th>Sr. No.</th>

</tr>
</tbody>
</table>

The activities have primarily been restricted to updating the parents on the
development and activities of the institute.

Q-32. Health Services:-

- **Inauguration**
  
  Health Centre was inaugurated on 26/02/2011 in the college premises itself.

- **Functional Activities:**
  
  - We are providing free medical consultation and medicinal facilities to all our
college students and hostel residents. We are extending this service in the same
way to required staff members too. We handle an OPD of approx. 250 patients per
month and we also provide minor emergency care management of the patients. We
are also managing dressing in the required injury cases of cuts, tears and wound etc. Medical emergencies are attended very promptly and thoroughly during examination period as well as in routine college hours. If required, they are shifted and referred to the nearest place for specialist's opinion and further needful procedure at the earliest.

- We create a "Health Card" for each student which includes personal details along with blood group as well as drug sensitivity – if any.

- **Value Added Health Education Services:**
  - We educate our school students from 5th to 12th and college students with various subjective topics covered during one to one or mass counseling as well as in lectures focused on Personal health, Counseling on habits which invite many hidden problems or diseases, Personal hygiene, General medi-care based on various type of diseases, prevention of various diseases, various epidemics and its control measures, Food & Nutrition along with dietary advises, Hair care and nutritional management to enrich the roots, Emergency management in critical conditions, First aid treatment management, Stress management specially on study base and exam phobia etc.
  - We organize camps on First aid training in students, blood grouping education on Thalesemia, AIDS, Malaria, and Gyneac related disorders etc., through our strong counseling pattern.

- **Preventive Health Care – Our Prime Motto:**
  - We have a systematic approach to mold healthy future of our students with our visionary angle. We have regular in-house course framed on YOGA with the title of "Awareness in Yoga and Health Education." We also educate the techniques of breathing, Asanas and stress management through the said format in a mass which is a very successful and unique exercise for all. We not only restrict ourselves to handle our students with care along with such in-house programs and activities but also, we have successfully extended our wings of YOGA by educating females of Porbandar to meet our aforesaid prime motto.
The following are the details of the number of students treated in the college Heath Center in 2012-'13.

• Self-employment program on 14-12-12  
• On 15-12-12 twelve students attended live Workshop for PD arranged by the SANDAHAN Gandhinagar (Bhagyashree, Minal, Janhvi, Jignasha , Payal of B.Com 4,Niru,Zankhana,B.Com- |
37. Placement services provided to students.

With the active help and support of our CCPC, last year one of our students got an appointment in SBI, Porbandar (Chhaya Branch) and three students got job in private schools.

In addition, the Gujarat Government's UDISHA initiative has prepared software wherein students' particulars are uploaded along with her/his job preference.
38. **Development programmes for non-teaching staff:**

All the non-teaching staff members were trained for the CBCS examination system. (e.g., how to prepare internal mark sheet, how to upload internal marks, how to fill online examination forms etc.)

Office of the administrative staff is fully computerized and linked with internet access.

39. **Best practice of the institution:**

- Under the *Saptadhara* initiative of *Swarnim Gujarat*, every-day for an hour the students are trained as per their choice in various skills ranging from dramatics, speaking, reading listening & writing skills, community service, fine arts, creative writing, music and sports. Thus, the students are provided with a very good platform for their multifaceted development. The institute thus tried its best for the all-round development of students, which is one of the major goals of the institute.

- A healthy practice is understood as a techniques or methodology that, through experience and research, has proven to reliably lead to a desired result. It is a process, activity, incentive, or reward that is believed to be more effective at delivering a particular outcome than any other technique, method, process, etc. when applied to a particular condition or circumstance. A given best practice is only applicable to particular condition or circumstance and may have to be modified or adapted for similar circumstances. In this backdrop the following healthy practices that have been in existence in this institute have got to be appreciated bearing in mind the unique leadership, philosophy, and ambience that are so special to this institute:

  a. **Best Practice in Curricular Aspects:**

- The Institute possesses dynamic organizational culture, system and practices which lends scope for continuous ascertainment of 360 degree feedback from all stakeholders for up-gradation of curriculum and
syllabus in a systematic way in accordance with the changing needs of the different stakeholders of education.

- The Inter-disciplinary programme of Basic Computers, Food and Nutrition and other courses introduced provide a suitable example allowing the required flexibility among the various disciplines.

**b. Best Practices in Teaching-Learning and Evaluation:**

- The Institute starts functioning from Day 1 without losing even a single day on account of administrative issues and causes. Successful implementation of Semester system with maximum contact hours of teaching and examinations on fixed time-schedules without any postponement or preponement of examination schedules.

- Engaging all available sessions by the faculty and attendance of all the students (barring those who are sick or indisposed) sincerely and in a dedicated manner without any disciplinary violations and participating proactively in the proceedings of the class.

- Visiting professors/guest-faculty – providing valued inputs in different courses.

- Adoption of the latest teaching aids: LCD projectors for power-point presentations, computers, videoconferencing, and internet in regular classes in the teaching of various courses.

- Utilizing the orientation programme conducted for new students to identify their tastes and preferences, strengths and weaknesses, and efficiencies in order to provide remedial measures to make-up the gaps identified and also utilize the strengths in an appropriate manner.

- Streamlined continuous internal evaluation comprising assignments, MCQ tests, seminar write-up and oral presentations, which not only helps students to prepare incrementally for the end-semester examination but also faculty to assess how much their students have
assimilated the inputs which they have provided in their respective courses.

d. **Best Practice in the Development of Infrastructure and Learning Resources:**

- Just as mother earth has enough resources to satisfy the basic needs of all beings in the creation but not the greed of even one human being – likewise the institute also has sufficient resources to satisfy the legitimate needs of faculty, support staff and students.
- Infrastructural facilities are revered as aids of the system by everybody in the institute and are used very judiciously with great care and devotion.
- Teaching aids do facilitate effective teaching as well as learning, and all the required facilities like LCD projectors, Computers etc., are available, but most important thing is, it is borne in mind that they are not substitutes for committed teachers but only aids that help effective teachers and sincere students in effective teaching and learning.
- The institute has prepared an **Indoor Theatre** to give the students an appropriate forum to display their talents.
- Library is one of the finely equipped libraries comparable to the best in and around Porbandar. Wall-to-wall cupboards have been prepared to judiciously utilize the available space in the Library.

e. **Best Practice in Student Support and Progression:**

- The institute provides good quality education to the students without any discrimination in any form. Be it academic inputs in the curriculum, or stay in the hostel, or the playground. Everywhere good facilities are provided to ensure that learning takes place in the mentoring sessions besides group counseling in the Student Development Programme.
• It should be mentioned that on an average 90% of the students who take the final examinations clear the examination successfully, many of them securing high percentages.

• Alumni Association of women students of the Institute play a very important role. Sincere efforts are being made to bring together the alumni and involve them in the growth and development of the Institute.

• The Placement Centre and the Health centre are two unique features established by the Trust to support the students. Thousands of students have been the beneficiaries so far.

f. Best Practices in Governance and Leadership:

• It is very special to have somebody of the stature of Dr. Virambhai R. Godhaniya and Shri Arjunbhai Modhwadiya as the President and Managing Trustee respectively of the Shri Maldevji Odedra Smarak Trust. Their very presence makes a great deal of difference. As such students, teachers and administrative staff etc. all who are familiar with their singular Vision and Mission of educational development of this region know that it is their commitment and dedication that keeps everybody on their toes. In fact, the entire College Management understands the essential need of the region and therefore all decisions are made keeping the needs of Porbandar in mind.

40. Linkages developed with National/International/academic/research bodies:

N.A.

41. Any other relevant information:

The institute has been sincerely executing all the programmes of the Commissioner of Higher Education, chief among them being the Saptadhara initiative. The following table gives a view of the activities of the various Study-Circle and the Saptadhara initiative executed during the year 2012-13.

**Part – C.**

Detail of the plans of the institution for the year 2013-14:

As a lead college of the district, the institution is always prepared to undertake new academic programmes to meet the needs of the present and face the challenges of the future. At the same time, we also believe in ensuring consolidation of the programmes already initiated. However, for the next academic year we have chalked out the several programmes:

- To make efforts to initiate Masters programmes in Social Work and Commerce.
- To initiate University recognized undergraduate course in Food Technology.
- To continue short term courses already initiated.
- To initiate some new short term courses such as Soft Toys and Glass Painting.
- To make sincere efforts to organize campus interviews for the placement.
- To continue efforts for collaboration with NGOs.
